Minutes for the Monthly Meeting
April 4, 2009

The meeting was called to order at Olsen Field by President Garland Sykes at 2:08 P.M. Officers present included the President, Vice President and Secretary. 27 members were in attendance.

Reports:

President – Garland reported a representative for Wrightsville Beach Magazine had taken videos just prior to the meeting. A more in depth interview and still photos will be taken at a later date. There was a scheduling conflict today with Azalea Festival activities.

Secretary –The minutes of the March meeting were read, corrected and approved as corrected.

Treasurer – In the absence of the Treasurer, Marcus Segers, the Secretary read the financial data for the month of March: no deposits, expenses were two checks one for \$10.00 and a second check for \$32.80 leaving a current balance of \$3,397.27 in our account.

Old Business:

No additional information has become available about the start of construction on Olsen Field Park. It was noted that bids were to go out on April 1. So far no one in the club has seen a bid invitation in the newspaper. The search for a permanent (at least 5 years) flying site continues.

So far, only 5 members have provided Garland or Dana with a bulk buy glow fuel request. A bulk buy price can not be determined until a total size of the buy is known.

New Business:

Former member Ronald Heath passed away last year. His wife is in the process of selling their house and has offered Ronald's shop equipment (including a lathe) to club members at a reduced price. If you are interested please contact Garland and he will arrange an appointment for you to see the equipment.

The members decided to send sympathy and get well cards to members and former members and their families. If you know of a family in need let Garland know and he will have Bunky Bruce obtain and send the appropriate card.

Announcements:

The members give a big thank-you to Wade Hanchey for the great grilled hamburgers and the fixings. He helped make the meeting enjoyable for the fine member turnout on a beautiful day.

Meeting was adjourned at 2:33 P.M.

Minutes submitted by Bill Gwinn, Secretary
